

2017 Sacrament Parent Forum

Acknowledging Parents as the primary educators of their children, three evenings of faith formation are being offered for parents and guardians whose children are receiving sacraments this year. Only one parent or guardian is being asked to attend **one** of the evenings.

All will be held in the Daily Mass Chapel, located in the Church.

September 28 beginning at **6:30 PM** with **Sister Marganne Drago** who will present how we can be more intentional followers of Jesus - seeing Him more and more in others and being Him more and more for others.

October 2 beginning at **7:00 PM** with **Sister Sheila Galligan** who will explore the practical implications of Jesus' richly significant compliment, "You are the salt of the earth." Why does Jesus exhort us to be like "salt"? Why not "sugar"? In what ways can you be models of joy-filled, energetic "salt of the earth" Catholic parents?

October 17 beginning at **7:00 PM** with **Father Kevin McCabe** who will present how frequent reception of sacraments helps us live out discipleship.

Please sign -up for the evening of your choosing.
